Important rules- and regulations about the future use of a private and commercial mooring

1. User of a mooring has to pay a onetime application fee of \$ 450,00 after the mooring is assigned by STINAPA.
2. User of a mooring has to pay an annual user fee for the mooring as specified in annex II of Island Resolution Marine Park. User fee tariffs are subjected to changes. Currently the price is \$ 280,00 per year.
3. The use of the mooring is only allowed by the boat(s) as specified in this application form. User of a mooring is not allowed to give/rent out or sell (the use of) the mooring to a third party. User of the mooring is not allowed to transfer the user agreement to a third party. The mooring can be used solely by the user.
4. Modifications to (parts of) the mooring by user are not allowed without the written prior consent from STINAPA;
5. The maintenance of the mooring is for the sole account of the user.
6. User is obliged to take the boat(s) off the mooring when there is bad weather and/or a wind reversal.
7. User is obliged to terminate the agreement of use in writing. The term of notice is one month.
8. User is obliged to inform STINAPA in writing about changes in the contact details. When user leaves the island STINAPA will end the agreement of use of the mooring immediately. Outstanding invoices need to be paid by user.

I hereby declare I will act conform the rules when a mooring is being assigned to me by STINAPA
